WELCOME FROM THE PRINCIPAL

CLARENDON PARK
PRIMARY SCHOOL

It is with a sense of anticipation and excitement that we welcome players, coaches and parents to our 2026 Tavcor Alan Lones Hockey and Rugby Festival. Clarendon Park is privileged to host this wonderful festival, and we are delighted that so many visiting schools have joined us this year.

A huge thank-you must be extended to our title sponsor, Tavcor Volkswagen, and all of our subsidiary sponsors, without whom this festival would not be possible. We trust that the festival will be a meaningful and rewarding experience for all those who have invested in it.

We are indebted to the coaches and staff members who have given of their time and effort in preparing their players for the upcoming matches. Their invaluable input in the lives of our children should never be taken for granted, and their influence never underestimated. Thank-you too, to the many parents and supporters who have joined us for the festival. It is fantastic to have so many supportive and encouraging parents on the touchlines, and behind the scenes – sacrificing a great deal in order for their child to experience their festival.

Festivals such as these are not possible without a steering committee of hardworking staff members and parents. To the Clarendon Park team who have worked tirelessly to ensure that the festival is a great success – an enormous thank-you. Your incredible efforts have resulted in a truly wonderful experience for all those participating.

I trust that every player will love every minute of being on the field and astro, and that they will cherish their festival experience. May the next few days bring forth many valuable lessons, both on and off the field. Let us all remember that the scoreboard does not define the success of a festival of this nature, but it is rather the lessons learnt and the friendships made which are truly important. May each player leave Clarendon Park filled with rich, rewarding and fulfilling memories, and may our common love for the games of hockey and rugby be strengthened over the days ahead.
